Issue Number 1

11th September 2009

School Website www.newbottleandcharlton.ik.org

Dear Parents/Carers,

Welcome back! I hope you have all had a lovely summer! It was certainly a long one! I would like to extend a particularly warm welcome to all our new parents whose children are joining the school for the first time this term. The children have settled into school really well and are now beginning to get into their daily routines.

With next week's newsletter you will receive a letter from your child's teacher outlining what they will be covering over the next two terms (September-December). We are currently planning two information evenings for parents this year. One will be on how we teach Maths and English and how to support your child in those subjects. The other evening will be on assessment and how children are assessed in school and how this information is used. Dates for these evenings will be sent out in a subsequent newsletter but will not take place until after the term break in October.

Parents' Evenings

Parents' evenings have been scheduled for this term. The dates and times are as follows:

Tuesday 13 th October	3.40 – 6pm
Wednesday 14 th October	5.00-7.30pm

Harvest Service

This year the children will present their Harvest Festival to parents here at the school on Friday 9th October at 2.45pm. Each class will do a presentation and sing a selection of Harvest songs which they have been learning with Mr Lear. This has previously taken place in church but as part of our plan to meet the objectives set out in our action plan resulting from our Diocesan inspection, Harvest in church will now take the form of a service rather than a performance. This service will take place on Thursday 15th October at 11am and parents are more than welcome to attend.

Assemblies

Achievement assemblies will resume in October.

A new reading reward scheme will commence at the end of the month. This one will involve climbing the highest mountain on each continent. There will be incentives along the way as well as a slight change in an effort to encourage writing. More information will follow in a subsequent newsletter.

School Garden

We are continually harvesting Spinach and Runner Beans from the School garden and we are selling this produce at 20p per bag on a first come first served basis. Cabbages are also available at 20p each. Please see Mrs Fox in Class 1. Thank you.

After School Clubs

Details of Clubs on offer will be published in next week's newsletter.
